SOUND EAST CHARITY No. 288825

Sound East

the Lowestoft and District
Talking Newspaper

We bring the local news on flash drives to almost 200 listeners with visual impairment.

Every week we record items of news from the current edition of the Lowestoft Journal.

We also produce a fortnightly information edition, which gives up to date information on shopping offers, travel hazards, upcoming events and items from the utility services.

An occasional magazine is also produced which contains travel items, interviews, commentaries and other snippets to inform or entertain.

Recordings are provided free of charge, and delivered free by the Royal Mail.

The work is done by teams of volunteers working at our studio in Alexandra Road.

We are not connected to any national body nor do we get any financial help from the state or local authority.

We depend on voluntary contributions and our own fund-raising efforts to maintain the service and we are always pleased to accept donations.

We also have a Friends scheme where members pay a minimum of £5 per annum, which helps to provide us with a regular income.

If you would like to help us please become a Friend of Sound East by completing the attached form and sending it to the address shown.

By becoming a Friend you will help us to maintain a talking newspaper service for those who are unable to read the printed page.
